PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC, OFFICES, BANGALORE.

Press Note.

The Controller of Civil Supplies and Chief Cement Rationing Authority in Mysore has notified for the information of the residents of Bangalore City, Civil Station and Mysore City that, due to the larger supplies of cement available for civilian use in these localities and the gradual improvement in the stock position of cement in the State, it is proposed to slightly relax the existing control over cement in these three localities.

Instructions have, therefore, been issued to all the Cement Dealers at Bangalore City, Civil Station and Mysore City to issue cement to a *bona fide* consumer during a month upto one ton, without a permit, as a tentative measure, for a period of two months only.

The consumers in these three localities may, therefore, approach the Cement Dealers within their areas for their cement requirements, for a period of two months only, if their requirements per month do not exceed one ton.

In respect of quantities exceeding one ton, the existing procedure will be continued.

Press Note.

During the last one week certain newspapers have published alleged transfers of some officers belonging to the Deputy Commissioners' cadre and officers in the Industries and Commerce Department. Government wish to make it clear that these transfers have not taken place and that there are no orders or notifications to that effect and that the announcements are wholly unfounded.

Progress Report in respect of work relating to the Agricultural Department for August 1950.

During the fortnight ended 15th August, seasonal conditions continued to be fair and rainfall was reported from all over the State except in Chitaldrug District and some Taluks of Kolar and South Mysore. The paddy crops in heavy rain zone of the Malnad were stated to be in good condition and incidence of disease and pest infestation definitely brought under check. Transplanting of paddy in the channel areas was in progress, and more than 70 per cent of the area under the old channels and nearly 30 per cent of the area under the new channels had been transplanted.

Dry land sowings had been completed on more than 90 per cent of the land and the recent showers in the first and second weeks of August had helped this crop considerably.

During the fortnight ended 31st August 1950, the 'Maghe' rains were full and plenty all over the State and seemed to have come at a most opportune time to save the standing crops and permit the crop cultivation in the Districts of Chitaldrug and parts of Mysore and Kolar where early rains had altogether failed. Reports were received that tanks were filling in Kolar and Tumkur Districts and agricultural operations were in active progress. Paddy crop in general, and, the dry-land crops all over the State, were reported to be progressing satisfactorily.

Apart from a spasmodic attack of cut-worm on ragi and isolated attacks of case-worm on paddy and hopper on jola, crops were fairly free from pests and diseases.

Tapioca cuttings were obtained and supplied to Chikmagalur and Shimoga Districts. Arrangements were being made to obtain some more cuttings. It was hoped to secure seed material for about 140 acres.

The Director of Agriculture toured in the distress taluks of Gundlupet, Chamarajanagar, Yelandur, Heggadadevanakote, Nanjangud, T.-Narsipur and Hunsur and met and addressed the gatherings of raiyats and principal agriculturists and leading men of these taluks. Arrangements were made to rush paddy and ragi seed to replace the earlier crops lost on account of inadequate rainfall.

The Director of Agriculture also addressed cotton growers in Nanjangud and Heggaddevankote where a record area had been sown with long staple cotton and it was noted with gratification that the crop was coming up exceedingly well in these areas and people were anxious to extend their areas in the coming year.

The Agricultural Planning Committee of Madhyapradesh visited the State and discussed the agricultural problems with the Departmental Officers. They visited the Government farms and raiyats' fields where demonstrations were being held.

Problems relating to the Research Schemes sanctioned by the Indian Council of Agricultural Research were discussed with the Assistant Agricultural Commissioner to the Government of India who visited the Government farms at Hessarghatta, Hebbal and Visvesvaraya Canal.

Press Note.

There has recently been some criticism in a local Kannada Daily newspaper, "Pouravani", dated 17th October 1950 alleging that a large number of licenses for new bars have been issued in Bangalore City, contrary to the accepted policy of Government to achieve total Prohibition. This criticism is far from truth as will be apparent from the following facts and figures.

On 24th October 1947, when the present Government took over the Administration, there were 15 bars in Bangalore City and Cantonment. Since then, only six additional licenses were issued, and among these licensees, two were refugees who were in a helpless condition and who were given the licenses just to enable them to earn a living. Out of the bars for which licenses were issued one has not been yet opened. Actually, only five new bars have been opened in Bangalore City and Cantonment during the last three years.

Hence the statement that the number of bars has increased by 150 to 200 per cent is entirely untrue. It is equally untrue to say that new licenses have been issued in 20 to 30 cases. It is very much regretted that such baseless and misleading statements are made in the Press without making any attempt to know or verify the facts.

Press Note.

In accordance with the planned policy of making electric power available to irrigation pumping sets and for lighting and heating purposes, the Electrical Department has made considerable progress in the servicing of installations. Every effort is being made to see that the demand is met as expeditiously as possible in the areas where the need is felt most acutely. The following statement shows the number of installations serviced during the month of September 1950 :—

Press Note.

It was reported in a section of the Press that Shimoga has not been included in the zones selected for intensive cultivation in connection with the scheme of grants from the Centre to the State's Food Plan. This is not correct. The Government have selected Shimoga, Mysore and Mandya Districts for drawing up intensive cultivation schemes and these schemes will be placed before the Central Government in due course.

(P. N. No. 179—D. 27-10-1950.)

Press Note.

There appeared recently, in a section of the local Press, an item of news alleging that the Government are considering the proposal to grant House Rent Allowance to Government Servants whose salary does not exceed Rs. 200 and that this allowance would be in addition to the usual dearness allowance that they have been getting. There is absolutely no basis for this news. There is no such proposal being considered by Government.

L. NARAYANA JOIS, *Ex. Engr.*

MYSORE DIVISION.

Brief Notification dated 28th October 1950.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, Mysore up to 4 P.M. on the 20th November 1950 (Monday), for "Constructing High level cause-way near Balehally, Srirangapatna Taluk".

2. The tenders should be submitted on the basis of rates (written both in words and as well as in figures) and must be in specific terms of unit shown against each item of work. The abstract copy of the estimate may be obtained from the office of the undersigned during working hours. Tenders to be addressed to the Executive Engineer, Mysore Division, Mysore, and the name of the tenderer should be noted on the cover.

3. The tenders should be submitted on printed forms, which may be obtained from the undersigned on payment of Re. 0-4-0 per form. Each tender must be accompanied by a duplicate chellan for having credited to the Mysore District Treasury a deposit of Rs. 650 as earnest money under the head "40 (i) Payments into the Treasury by P.W.D." and be superscribed as "Tender for constructing a High level cause-way near Balehally, Srirangapatna," in default of which tenders will be rejected. Cheques will not be accepted as earnest money.

4. The work should be completed in all respects within three months from the date of acceptance of the tender. The contractor has to make his own arrangements in all matters of execution of the work and only such of the usual facilities to acquire and transport the controlled materials will be given to him by the Department.

5. The final acceptance of the tender rests with the Superintending Engineer, Cauvery Circle, Mysore, who does not bind himself to accept the lowest of any tender or to assign any reason whatsoever for the rejection of any. In all matters of dispute regarding the rates, etc., the approved tenderer should bind himself to abide by the Departmental rules in force and execute an agreement on receipt of intimation of his tender failing which, his earnest money deposit will be forfeited.

6. The rates for non-tendered and non-estimated items shall be as per schedule rates of the Department, or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

7. Any tender submitted on percentage basis, *viz.*, so much percentage less or more than estimated rates will not be accepted.

OFFICE OF THE EXECUTIVE ENGINEER, UPPER CHANNELS DIVISION, KRISHNARAJANAGAR.

Tender Notification dated 28th October 1950.

Sealed tenders duly signed by the contractors will be received at the office of the undersigned up to 4 P.M. on 17th November 1950, for constructing an R.C.C. Bridge of three vents of 30' span across Nyayadahalla near Mallipatna on Mallipatna—Shanivarasanthe Road, Arkalgud Taluk.

For each item of works individual rates may be quoted both in words and figures.

The tender will hold good till the acceptance or otherwise by the competent authorities.

For lumpsum provisions or for non-tendered items, the rates will be paid as per current schedule. For other items, rates based on data with 10 per cent profit will be paid.

Printed tender forms can be had at the Office of the Executive Engineer, Upper Channel Division, Krishnarajanagar, on a payment of four annas (Re. 0-4-0) per form. Tenders submitted in other than the printed form will be rejected. *No cheques will be accepted.*

Each tender should be accompanied with a Treasury chellan of Rs. 2,350 as earnest money paid to the Treasury to the credit of "40 (i) Remittances—Payment into Treasury by P.W.D. Officers".

The final acceptance of tender will rest with the Superintending Engineer, Cauvery Circle, Mysore. Estimates and plans will be available for reference in the Office of the Executive Engineer, Upper Channel Division, Krishnarajanagar. Any further particulars required can be had at the Office of the Executive Engineer, Upper Channel Division, Krishnarajanagar, on all working days during office hours.

The successful tenderer should bind himself to abide by the departmental rules in force and execute the necessary agreements within a week of acceptance of his tender failing which, the earnest money will be forfeited to Government.

The Department does not bind itself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

Quantities noted in the abstract estimate are only approximate.

The rates quoted by the tenderers should hold good till the completion of the work irrespective of the fluctuation in rates.

The work should be completed by the end of March 1952.

OFFICE OF THE ECONOMIC BOTANIST, DEPARTMENT OF AGRICULTURE, BANGALORE.

Notification.

It is hereby notified for the information of the public that the papaya crop produced on the Fruit Research Station, Hessarghatta standing in Guava, Banana and Nursery Plots, totalling about 939 plants will be leased out to the person who offers highest value at not less than Rs. 1000 (one-thousand) for one year commencing from the date of lease. The intending persons may present their offer in a sealed cover to the Economic Botanist, Department of Agriculture, Bangalore, so as to reach him on or before 2 p.m. on the 10th November 1950. The Tenders will be opened at 3 p.m. on the last day and the tenderers may be present at the time if they so desire.

2. The person whose offer is accepted should pay 25 per cent of the total value of the crop immediately after acceptance of his offer and the balance the next day in full. In default thereof the lease will be given away to the next highest offer. The lessee will be permitted to harvest the crop as and when ready only after the full amount is paid.

3. The lessee should be responsible for proper guarding of the fruit crop immediately his offer is accepted, and no complaint in case of theft, etc., will be entertained and no compensation whatsoever will be paid thereof. The lessee is required to give intimation to the Manager, Fruit Research Station, Hessarghatta, before he harvests the fruits every day. The fruits harvested from each tree should be kept near it and should only be removed after the number, weight and the grades of the fruits and other information of the individual trees are noted down. Under no circumstances the fruits should be removed until the necessary details are noted. The crop after harvest must be brought to the officer where permit to remove the fruit from the station premises will be issued by the Manager, Fruit Research Station. Under no circumstances the crop shall be removed to residential quarters of the staff in the Colony. The lessee should give definite instruction to his watchman in this matter.

4. Any crop found being removed without permit will be confiscated and sold, the realisation being credited to Government.

5. Fruits which are fully ripe should be harvested. Diseased fruits must be allowed to be harvested and destroyed.

6. Whatever fruits are required for experimental purposes, these must be made available at Government rate.

7. The lessee should not claim any compensation for the crops if any, of the diseased branches of trees which may cut down.

8. The lessee has to make arrangements to have the plants irrigated by his watchmen.

9. The lessee should compensate for any damage done to the trees or any Government property in the orchard during his lease either by himself or by his agent.

10. None except the watchmen of the lessee will be allowed to remain in the orchard. The lessee should employ reliable and honest watchmen.

11. The lessee should further abide by the orders of the Director of Agricultural Research Institute, whose decision is final in any matter not mentioned above.

12. Inspection of the crop is permitted on 9th November 1950.

13. The tender is liable to be rejected by the Principal and Director, Agricultural College and Research Institute, Hebbal, without assigning any reasons.
